Dear friend

I received your letter and was
glad to hear from you
and was surprised to get
a letter from you say you
said I had a song exchange
I have a good one I will
tell you what it is when
I see you at the coun-
selling and I am sure
that I will see you
there you said I had
lost gotten you that is a
mistake I think of you
often I expect I think
of you often than you
